

From: Dermer, Michele
Location: Proposed for DOGGR Office's Sacramento and via teleconference
Importance: Normal
Subject: Follow up discussion regarding Arroyo Grande AE application
Start Date/Time: Fri 3/25/2016 8:00:00 PM
End Date/Time: Fri 3/25/2016 10:00:00 PM

Please note the original invitation was for the wrong date. This date is intended to accommodate the water boards. The time is changed to the afternoon.

If this location is amenable, if DOGGR HQ could reserve the conference room and a call in number that would be much appreciated.
